The AMAZING WORLD OF GUMBALL

A promotional poster for the anime 'Alice in Borderland'. The background is a dark, starry night sky filled with colorful fireworks in shades of green, yellow, red, and blue. In the foreground, a cityscape is visible with various buildings and signs, including one for 'Hinomoto'. A person is seen from behind, looking up at the sky. Two large playing cards, the King of Spades and the Queen of Spades, are prominently displayed in the center, appearing to be part of the city's architecture. Two sleek, futuristic flying saucers are also visible in the sky.
