

*Can't Help Falling
In Love With You*

There She Goes

THE LA'S

There she goes
There she goes again
Racing through my brain
And I just can't contain, this feeling that remains

There she blows
There she blows again
Pulsing through my vein
And I just can't contain, this feeling that remains
There she goes
There she goes again
She calls my name, pulls my train
And no-one else can heal my pain
But I just can't contain, this feeling that remains

There she goes
There she goes again
Chasing down my lane
And I just can't contain, this feeling that remains

There she goes
There she goes
There she goes

Uptown Girl (bonus track)

BILLY JOEL

Oh, oh

Uptown girl
She's been living in her uptown world
I bet she's never had a backstreet guy
I bet her mamma never told her why
I'm gonna try for an

Uptown girl (uptown girl)
She's been living in her white bread world (white bread world)
As long as anyone with hot blood can (hot blood can)
And now she's looking for a downtown man (downtown man)
That's what I am

And when she knows what she wants
From her time (from her time)
And when she wakes up
And makes up her mind

She'll see I'm not so tough
Just because I'm in love with an
Uptown girl (uptown girl)
You know I've seen her in her uptown world (uptown world)
She's getting tired of her high class toys (high class toys)
And all the presents from her uptown boys (uptown boys)
She's got a choice

Oh, oh

Uptown girl
You know I can't afford to buy her pearls
But maybe someday, when my ship comes in
She'll understand what kind of guy I've been (I've been)
And then I'll win

And when she's walking
She's looking so fine
And when she's talking
She'll say that she's mine

She'll say I'm not so tough (she'll say)
Just because I'm in love with an (she knows)

Uptown girl
She's been living in her white bread world
As long as anyone with hot blood can
And now she's looking for a downtown man
That's what I am

Oh, oh

Uptown girl (uptown girl)
She's my uptown girl

You know I'm in love with an uptown girl
My uptown girl
You know I'm in love with an uptown girl
My uptown girl

You know I'm in love with an uptown girl
My uptown girl
You know I'm in love with an uptown girl
She's an uptown girl

End Game

**TAYLOR SWIFT, ED SHEERAN,
FUTURE**

I wanna be your end game
I wanna be your first string
I wanna be your A-Team (woah, woah)
I wanna be your end game, end game

Big reputation, big reputation
Ooh, you and me, we got big reputations, ah
And you heard about me, ooh
I got some big enemies (yeah)
Big reputation, big reputation
Ooh, you and me would be a big conversation, ah (git, git)
And I heard about you, ooh (yeah)
You like the bad ones too

You so dope, don't overdose
I'm so stoked, I need a toast
We do the most
I'm in the Ghost like I'm whippin' a boat
I got a reputation, girl, that don't precede me (yeah)
I'm one call away whenever you need me (yeah)
I'm in a G5 (yeah)
Come to the A-Side (yeah)
I got a bad boy persona, that's what they like (what they like)
You love it, I love it too 'cause you my type (you my type)
You hold me down and I protect you with my life (with my life)

I don't wanna touch you (I don't wanna be)
Just another ex-love (you don't wanna see)
I don't wanna miss you (I don't wanna miss you)
Like the other girls do
I don't wanna hurt you (I just wanna be)
Drinkin' on the beach with (you all over me)
I know what they all say (I know what they all say)
But I ain't tryna play
I wanna be your end game (end game)
I wanna be your first string (first string)
I wanna be your A-Team (A-Team)
I wanna be your end game, end game

Knew her when I was young
Reconnected when we were little bit older
Both sprung
I got issues and chips on both of my shoulders
Reputation precedes me
In rumours, I'm knee-deep
The truth is it's easier to ignore it, believe me
Even when we'd argue, we'd not do it for long
And you understand the good and bad end up in the song
For all your beautiful traits and the way you do it with ease
For all my flaws, paranoia and insecurities
I've made mistakes and made some choices, that's hard to deny
After the storm, somethin' was born on the 4th of July
I've passed days without fun, this end game is the one
With four words on the tip of my tongue, I'll never say it

I don't wanna touch you (I don't wanna be)
Just another ex-love (you don't wanna see)
I don't wanna miss you (I don't wanna miss you)
Like the other girls do
I don't wanna hurt you (I just wanna be)
Drinkin' on the beach with (you all over me)
I know what they all say (yeah)
But I ain't tryna play (ooh)

I wanna be your end game (end game)
I wanna be your first string (wanna be your first string)
I wanna be your A-Team (A-Team)
I wanna be your end game, end game

Big reputation, big reputation
Ooh, you and me, we got big reputations, ah
And you heard about me, ooh
I got some big enemies (hey)
Big reputation, big reputation (big reputation, yeah)
Ooh, you and me would be a big conversation, ah
And I heard about you, ooh
You like the bad ones too

I hit you like bang
We tried to forget it, but we just couldn't
And I bury hatchets, but I keep maps of where I put 'em
Reputation precedes me, they told you I'm crazy
I swear I don't love the drama, it loves me
And I can't let you go, your handprints on my soul
It's like your eyes are liquor, it's like your body is gold
You've been callin' my bluff on all my usual tricks
So here's the truth from my red lips (ooh-ah)

I wanna be your end game (end game)
I wanna be your first string (me and you) (first string)
I wanna be your A-Team (hey) (be your A-Team now) (A-Team)
I wanna be your end game, end game
I wanna be your end game (oh, I do) (end game)
I wanna be your first string (first string)
I wanna be your A-Team (A-Team)
I wanna be your end game, end game

Honey, Honey

**AMANDA SEYFRIED, ASHLEY LILLEY,
RACHEL MCDOWALL**

Honey honey, how he thrills me, aha, honey honey
Honey honey, nearly kills me, aha, honey honey
I've heard about him before
I wanted to know some more
And now I know what they mean, he's a love machine
Oh, he makes me dizzy

Honey honey, let me feel it, aha, honey honey
Honey honey, don't conceal it, aha, honey honey
The way that you kiss good night

Way that you kiss me goodnight

The way that you hold me tight

Way that you're holding me tight

I feel like I wanna sing

When you do your thing

Honey, honey touch me baby, aha, honey honey
Honey, honey hold me baby, aha, honey honey
You look like a movie star
But I love just who you are
And honey to say the least you a doggone beast

Honey honey, how he thrills me, aha, honey honey
Honey honey, nearly kill me, aha, honey honey
I've heard about you before, I wanted to know some more
And now I'm about to see, what you mean to me

Kiss Me

SIXPENCE NONE THE RICHER

Kiss me
Out of the bearded barley
Nightly, beside the green, green grass
Swing, swing (swing, swing)

Swing the spinning step
You wear those shoes
And I will wear that dress

Oh
Kiss me
Beneath the milky twilight
Lead me
Out on the moonlit floor

Lift your open hand
Strike up the band
And make the fireflies dance
Silver Moon sparkling
So, kiss me
Kiss me (kiss me)
Down by the broken tree house
Swing me (swing me)
Upon it's hanging tire

Bring, bring (bring, bring)
Bring your flower hat
We'll take the trail marked on your
Father's map

Oh
Kiss me
Beneath the milky twilight
Lead me
Out on the moonlit floor

Lift your open hand
Strike up the band
And make the fireflies dance
Silver Moon sparkling
So, kiss me

Kiss me
Beneath the milky twilight
Lead me
Out on the moonlit floor

Lift your open hand
Strike up the band
And make the fireflies dance
Silver Moon sparkling

So, kiss me
So, kiss me
So, kiss me
So, kiss me

Never Tear Us Apart

INXS

Don't ask me
What you know is true
Don't have to tell you
I love your precious heart

I, I was standing
You were there
Two worlds collided
And they could never tear us apart

We could live
For a thousand years
But if I hurt you
I'd make wine from your tears
I told you
That we could fly
'Cause we all have wings
But some of us don't know why

I was standing
You were there
Two worlds collided
And they could never ever tear us apart

I (don't ask me)
I was standing (you know it's true)
Hm, you were there (worlds collided)
Two worlds collided (we're shining through)
And they could never tear us apart

You (don't ask me)
You were standing (you know it's true)
I was there (worlds collided)
Two worlds collided (we're shining through)
And they could never tear us apart

I, I was standing
You were there

Longe De Você

CHARLIE BROWN JR.

Longe de você eu enlouqueço muito mais
Eu vivo na espera de poder viver a vida com você
Vejo pessoas sem saberem pra onde o mundo vai, e eu
Conto as horas para estar com você

Longe de você eu preciso de algo mais
Eu vivo na espera de poder viver a vida com você
Vejo pessoas sem saberem pra onde o mundo vai
Eu conto as horas para estar com você

Que mundo é esse que ninguém entende um sonho?
Que mundo é esse que ninguém sabe mais amar?
Pra tanta coisa que faz mal eu me disponho
Quando eu te vejo eu começo a sorrir
Eu começo a sorrir

Não quero desperdiçar a chance de ter encontrado você
Hoje o que eu mais quero é fazer você feliz
Vejo as pessoas e sei que juntos nós podemos muito mais
Eu vivo na espera de poder viver a vida com você

Que mundo é esse que ninguém entende um sonho?
Que mundo é esse que ninguém sabe mais amar?
Pra tanta coisa que faz mal eu me disponho
Quando eu te vejo eu começo a sorrir
Eu começo a sorrir

Molduras boas não salvam quadros ruins
Eu procurei a vida inteira sem saber bem pelo que
Mas se pelo menos você estivesse aqui
Eu conto as horas pra estar com você
Eu estive lá na sua presença
Só pra saber o que você diria sobre nós
O que te diz mais?
O que te diz mais?

Accidentally In Love

COUNTING CROWS

So she said: What's the problem, baby?
What's the problem I don't know
Well, maybe I'm in love (love)
I think about it every time I think about it
Can't stop thinking about it

How much longer will it take to cure this?
Just to cure it cause I can't ignore it if it's love (love)
Makes me wanna turn around and face me
But I don't know nothing about love

Come on, come on
Turn a little faster
Come on, come on
The world will follow after
Come on, come on
Because everybody's after love

So I said: I'm a snowball running
Running down into the spring
That's coming all this love
Melting under blue skies
Belting out sunlight
Shimmering love
Well baby I surrender
To the strawberry ice cream
Never ever end of all this love
Well I didn't mean to do it
But there's no escaping your love

These lines of lightning mean
We're never alone, never alone
No! No!

Come on, come on
Move a little closer
Come on, come on
I want to hear you whisper
Come on, come on
Settle down inside my love

Come on, come on
Jump a little higher
Come on, come on
If you feel a little lighter
Come on, come on
We were once upon a time in love

We're accidentally in love
Accidentally in love
Accidentally in love
Accidentally in love
Accidentally in love
Accidentally in love
Accidentally in love
Accidentally in love
Accidentally

I'm in love, I'm in love
I'm in love, I'm in love
I'm in love, I'm in love
Accidentally

I'm in love, I'm in love
I'm in love, I'm in love
I'm in love, I'm in love
Accidentally

Come on, come on
Spin a little tighter
Come on, come on
And the world's a little brighter
Come on, come on
Just get yourself inside her love

I'm in love

Lover Girl

LAUFEEY

What a reckless fever, love-struck girl, I'd tease her
Thought I'd never be her
Quite the job you've done on me, sir
You've been hosting parties in my mind
I'm working overtime, you've become my whole world
Oh, what a curse it is to be a lover girl

The skyscraper's causing vertigo
The countdown begins in Tokyo
Twenty-seven days alone means twenty million ways to cope without you

I'm in a reckless fever, love-struck girl, I'd tease her
Thought I'd never be her
Quite the job you've done on me, sir
You've been hosting parties in my mind
I'm working overtime to have you in my world
Oh, what a curse it is to be a lover girl
Forced to get creative, wrote my feelings down
The independent lady in me's nowhere to be found
I can't wait another day to see you
How embarrassing to be this way

I'm in a reckless fever, love-struck girl, I'd tease her
Thought I'd never be her
Quite the job you've done on me, sir
You've been hosting parties in my mind
I'm working overtime to have you in my world
Oh, what a curse it is to be in love

I wait by the phone like a high school movie
Dream at the shows, you'll come runnin' to me
Think I see you in the wings, God
I'm hallucinating

There Is a Light That Never Goes Out

THE SMITHS

Take me out tonight
Where there's music and there's people
Who are young and alive
Driving in your car
I never, never want to go home
Because I haven't got one anymore
Take me out tonight
Because I want to see people
And I want to see life
Driving in your car
Oh, please don't drop me home
Because it's not my home
It's their home
And I'm welcome no more

And if a double-decker bus
Crashes into us
To die by your side
Is such a heavenly way to die
And if a ten ton truck
Kills the both of us
To die by your side
Well, the pleasure, the privilege is mine
Take me out tonight
Take me anywhere
I don't care, I don't care, I don't care
And in the darkened underpass, I thought
Oh, God, my chance has come at last
But then a strange fear gripped me
And I just couldn't ask

Take me out tonight
Oh, take me anywhere
I don't care, I don't care, I don't care
Driving in your car
I never never want to go home
Because I haven't got one, no, no, no
Oh, I haven't got one

And if a double-decker bus
Crashes into us
To die by your side
Is such a heavenly way to die
And if a ten ton truck
Kills the both of us
To die by your side
Well, the pleasure, the privilege is mine

Oh, there is a light that never goes out
There is a light that never goes out
There is a light that never goes out
There is a light that never goes out

Yellow

COLDPLAY

Look at the stars
Look how they shine for you
And everything you do
Yeah, they were all yellow

I came along
I wrote a song for you
And all the things you do
And it was called Yellow

So, then, I took my turn
Oh, what a thing to have done
And it was all yellow
Your skin
Oh, yeah, your skin and bones
Turn into something beautiful
Do you know
You know I love you so?
You know I love you so?

I swam across
I jumped across for you
Oh, what a thing to do
'Cause you were all yellow

I drew a line
I drew a line for you
Oh, what a thing to do
And it was all yellow

And your skin
Oh, yeah, your skin and bones
Turn into something beautiful
Do you know
For you, I'd bleed myself dry?
For you, I'd bleed myself dry

It's true
Look how they shine for you
Look how they shine for you
Look how they shine for

Look how they shine for you
Look how they shine for you
Look how they shine

Look at the stars
Look how they shine for you
And all the things that you do

Be My Baby

THE RONETTES

The night we met I knew I needed you so
And if I had the chance I'd never let you go
So won't you say you love me?
I'll make you so proud of me
We'll make 'em turn their heads
Every place we go

So won't you please (be my, be my baby)?
Be my little baby (my one and only baby)
Say you'll be my darlin' (be my, be my baby)
Be my baby now (my one and only baby)
Oh, oh, oh, oh

I'll make you happy, baby
Just wait and see
For every kiss you give me
I'll give you three
Oh, since the day I saw you
I have been waiting for you
You know I will adore you
'Til eternity

So won't you please (be my, be my baby)?
Be my little baby (my one and only baby)
Say you'll be my darlin' (be my, be my baby)
Be my baby now (my one and only baby)
Oh, oh, oh, oh

So c'mon and be (be my, be my baby)
Be my little baby (my one and only baby)
Say you'll be my darlin' (be my, be my baby)
Be my baby now (my one and only baby)
Oh, oh, oh, oh

(Be my, be my baby) be my little baby
(My one and only baby) oh
(Be my, be my baby) oh
(My one and only baby) oh, oh, oh, oh

(Be my, be my baby) oh
(My one and only baby) oh
(Be my, be my baby) be my baby now
(My one and only baby) oh, oh, oh, oh

My Girl

THE TEMPTATIONS

I've got sunshine on a cloudy day
When it's cold outside
I've got the month of May
I guess you'll say
What can make me feel this way?
My girl (my girl, my girl)
Talking about my girl (my girl)

I've got so much honey
The bees envy me
I've got a sweeter song
Than the birds in the trees

Well, I guess you'll say
What can make me feel this way?
My girl (my girl, my girl)
Talking about my girl (my girl)
Ooh, ooh

Hey, hey, hey
Hey, hey, hey

Ooh, yeah

I don't need no money, fortune or fame
I've got all the riches, baby
One man can claim
Well, I guess you'll say
What can make me feel this way?

Can't Take My Eyes Off You

FRANKIE VALLI

You're just too good to be true
Can't take my eyes off you
You'd be like heaven to touch
I wanna hold you so much
At long last love has arrived
And I thank God I'm alive
You're just too good to be true
Can't take my eyes off you

Pardon the way that I stare
There's nothing else to compare
The sight of you leaves me weak
There are no words left to speak
But if you feel like I feel
Please, let me know that it's real
You're just too good to be true
Can't take my eyes off you

I love you, baby
And if it's quite all right
I need you, baby
To warm the lonely nights
I love you, baby
Trust in me when I say
Oh, pretty baby
Don't bring me down, I pray
Oh, pretty baby
Now that I've found you, stay
And let me love you, baby
Let me love you

Friday I'm In Love

THE CURE

I don't care if Monday's blue
Tuesday's grey and Wednesday too
Thursday, I don't care about you
It's Friday, I'm in love

Monday, you can fall apart
Tuesday, Wednesday break my heart
Oh, Thursday doesn't even start
It's Friday, I'm in love

Saturday, wait
And Sunday always comes too late
But Friday never hesitate
I don't care if Monday's black
Tuesday, Wednesday heart attack
Thursday, never looking back
It's Friday, I'm in love

Monday, you can hold your head
Tuesday, Wednesday, stay in bed
Oh, Thursday, watch the walls instead
It's Friday I'm in love

Saturday, wait
And Sunday always comes too late
But Friday never hesitate

Dressed up to the eyes, it's a wonderful surprise
To see your shoes and your spirits rise
Throw out your frown and just smile at the sound
As sleek as a shriek, spinning round and round

Always take a big bite, it's such a gorgeous sight
To see you eat in the middle of the night
You can never get enough, enough of this stuff
It's Friday, I'm in love

I don't care if Monday's blue
Tuesday's gray and Wednesday too
Thursday, I don't care about you
It's Friday, I'm in love

Monday, you can fall apart
Tuesday, Wednesday break my heart
Thursday doesn't even start
It's Friday, I'm in love

Can't Help Falling In Love

ELVIS PRESLEY

Can't Help Falling In Love
Elvis Presley

Wise men say
Only fools rush in
But I can't help
Falling in love with you

Shall I stay?
Would it be a sin
If I can't help
Falling in love with you?

Like a river flows
Surely to the sea
Darling, so it goes
Some things are meant to be
Take my hand
Take my whole life too
For I can't help
Falling in love with you

Like a river flows
Surely to the sea
Darling, so it goes
Some things are meant to be

Take my hand
Take my whole life too
For I can't help
Falling in love with you

For I can't help
Falling in love with you

You're just too good to be true
Can't take my eyes off you
You'd be like heaven to touch
I wanna hold you so much
At long last love has arrived
And I thank God I'm alive
You're just too good to be true
Can't take my eyes off you

I love you, baby
And if it's quite all right
I need you, baby
To warm the lonely nights
I love you, baby
Trust in me when I say

Oh, pretty baby
Don't bring me down, I pray
Oh, pretty baby
Now that I've found you, stay
Oh, pretty baby
Trust in me when I say

I need you, baby
Well, won't you come my way?
Oh, pretty baby
Now that I've found you, stay
And let me love you, baby
Let me love you

Do, do, do, do, do, do, do
Do, do, do, do, do, do, do, do, do
Do, do, do, do, do, do, do

Tonight
I wanna give it all to you
In the darkness
There's so much I want to do

And tonight
I wanna lay it at your feet
'Cause, girl, I was made for you
And, girl, you were made for me

I was made for loving you, baby
You were made for loving me
And I can't get enough of you, baby
Can you get enough of me?
Tonight
I wanna see it in your eyes
Feel the magic
There's something that drives me wild

And tonight
We're going to make it all come true
'Cause, girl, you were made for me
And, girl, I was made for you

I was made for loving you, baby
You were made for loving me

No, I can't get enough

I was made for loving you, baby
You were made for loving me

Lay All Your Love On Me

**DOMINIC COOPER, AMANDA
SEYFRIED**

I wasn't jealous before we met
Now every woman I see is a potential threat
And I'm possessive, it isn't nice
You've heard me saying that smoking was my only vice

But now it isn't true
Now everything is new
And all I've learned has overturned
I beg of you

Don't go wasting your emotion
Lay all your love on me

It was like shooting a sitting duck
A little small talk, a smile, and baby, I was stuck
I still don't know what you've done with me
A grown-up woman should never fall so easily
I feel a kind of fear
When I don't have you near
Unsatisfied, I skip my pride
I beg you, dear

Don't go wasting your emotion
Lay all your love on me
Don't go sharing your devotion
Lay all your love on me

I've had a few little love affairs
They didn't last very long and they've been pretty scarce
I used to think I was sensible
It makes the truth even more incomprehensible

'Cause everything is new
And everything is you
And all I've learned has overturned
What can I do?

Don't go wasting your emotion
Lay all your love on me
Don't go sharing your devotion
Lay all your love on me

Don't go wasting your emotion
Lay all your love on me
Don't go sharing your devotion
Lay all your love on me

Don't go wasting your emotion
Lay all your love on me

Baby, I love You

RAMONES

Have I ever told you
How good it feels to hold you
It isn't easy to explain

And though I'm really trying
I think I may start crying
My heart can't wait another day
When you kiss me I just gotta
Kiss me I just gotta
Kiss me I just gotta say

Baby I love you (c'mon baby)
Baby I love you
Baby I love you

I love only you
I can't live without you
I love everything about you
I can't help it if I feel this way

Oh, I'm so glad I found you
I want my arms around you
I love to hear you call my name
Tell me that you feel
Tell me that you feel
Tell me that you feel the same

Baby I love you (c'mon baby)
Baby I love you
Baby I love you

I love only you

Oh, I'm so glad I found you
I want my arms around you
I love to hear you call my name
Tell me that you feel
Tell me that you feel
Tell me that you feel the same

Baby I love you
Baby I love you
Baby I love you

I love only You!
